## ESD Printed Floor Tape

054-0007

Our highly visible, yellow floor marking tape is printed in black with the ESD caution logo and is ideal for marking EPA boundaries. The tape is self-adhesive and adheres well to synthetic and clean, particle-free concrete floors.

**FEATURES**

- 72mm width x 33m length
- Adheres very well to synthetic floors such as PVC tiles. The tape will also adhere to concrete floors and can be expected to remain intact for several months depending on traffic
- The tape is yellow and printed in black with the ESD logo as per EN61340-5-1 and the text 'ESD Protected Area'
- The carrier tape is laminated with a clear film to protect the print
- The tape is not antistatic as it is intended for use outside the EPA
- The tape is a highly visible identification of the boundaries of an EPA
