

PRODUCT

ESD Fleece

High quality ESD Fleece is designed for operators working in low temperature static controlled environments. As well as being warm the polyester material has a 3% carbon fibre element for ESD resistance. The unisex shape has two side pockets and a full length zip. An ESD logo sewn into the garment allows easy identification for supervisors and other operators. Available in a range of sizes spanning from XS to XXL and can be supplied in either light grey or navy blue.

FEATURES

- ESD Fleece, unisex model with zip, 2 side pockets and sewn in fabric ESD logo.
