

minION2™ Compact Ioniser

Incorporates Simco's auto-balance, steady-state DC corona ion technology. Our self-monitoring and control method, known as DOCC, ensures the user of controlled, consistent ion output. Performance is enhanced by Simco's patented radial emitter design.

FEATURES:

- Compact design
- Patented radial emitter design
- Self-Balancing control circuit technology
- Modular Wiring System
- Local led and relay contact alarm signal

FAN SPEEDS:	Low: 6.8l/s (17CFM) High: 13.6l/s (34CFM)
AREA COVERAGE:	305 x 1220 mm (1 x 3 ft.)
SIZE (W x H x D):	98 x 136 x 60 mm 3.87 x 5.375 x 2.375 in.
WEIGHT:	0.5 kg (1.1 lbs)

PRODUCT CODE:	DESCRIPTION:	ADDITIONAL NOTES:
4011425	minION2™ 100 / 120VAC	Each 095-0060
4011426	minION2™ 230VAC CE-EU	Each
4011247	minION2™ 230VAC CE-UK	Each
4011424	minION2™ (No Power Supply)	Each
