

## RoHS Certificate of Compliance

EU Directives 2011/65/EU and 2015/863 restrict the use of the 10 substances below in the manufacture of specified types of electrical equipment.

All products supplied by **ESD Control Centre Ltd, T/A Antistat & Integrity Cleanroom** are either exempt or do not contain any of the restricted substances and applications banned by the directive.

The restricted substances and maximum allowed concentrations in the homogenous material are, by weight:

Substance	Concentration
Cadmium (Cd)	0.01%
Lead (Pb)	0.1%
Mercury (Hg)	0.1%
Polybrominated Biphenyls (PBB)	0.1%
Polybrominated Diphenyl Ethers (PBDE)	0.1%
Hexavalent Chromium	0.1%
Cadmium	0.01%
Bis(2-ethylhexyl) phthalate (DEHP)	0.1%
Benzyl butyl phthalate (BBP)	0.1%
Dibutyl phthalate (DBP)	0.1%
Diisobutyl phthalate (DIBP)	0.1%
